AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Official Action dated September 5, 2002, the applicants respond as follows.

IN THE CLAIMS:

Kindly amend the claims as follows:

59. (Twice Amended) A method of making an ammunition article, comprising the steps of:

injection molding plastic around at least a portion of a one-piece projectile to form a plastic cartridge casing body having a first end to which the projectile is attached and a second end.
